operate as a Reseller of Interexchange) REQUEST
Telecommunications Service.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Western Union Communications, Inc. (Western Union) for a waiver of requirement for filing an annual report in support of its Application as required by R.103-601 and R.103-834(A)(3). Upon consideration of this matter, the Commission believes that this request should be granted. It appears that all the information normally provided in the annual report is available through the Company's 10K report. Therefore, filing of the annual report in support of the

Application is duplicative. The request should, therefore, be granted. This Order shall remain in full force and effect until further Order of the Commission.
